

Dear Bloor-Yorkville BIA Members,

As a reminder, the Provincial grant portal opens today. These grants are available to assist with property tax and energy cost rebates. Below please find the links to the Province's web page.

Property tax and energy cost rebates available for businesses affected by COVID-19 public health measures

The Ontario government is supporting businesses affected by COVID-19 public health measures by providing [property tax and energy cost rebates](#). The rebates will cover the period of time that businesses are required to temporarily close or significantly restrict services as a result of being located in areas such as Toronto that have been subject to [modified Stage 2 public health restrictions](#).

See [Get help with COVID-19 costs](#) web page for more information.

It is anticipated that the site may be very busy.
