## Three-Step Roadmap to Reopen

### Dear Bloor-Yorkville BIA Members,

Effective May 22, 2021 at 12:01 a.m. the province will reopen outdoor recreational amenities with restrictions, and outdoor gathering limits will be expanded to five people.

The Roadmap to Reopen outlines three steps to easing public health measures, guided by the following principles:

- Step 1: An initial focus on resuming outdoor activities with smaller crowds and permitting retail with restrictions. This includes allowing outdoor gatherings of up to 10 people, outdoor dining with up to four people per table and non-essential retail at 15 per cent capacity.
- Step 2: Further expanding outdoor activities and resuming limited indoor services with small numbers of people where face coverings are worn. This includes outdoor gatherings of up to 25 people, outdoor sports and leagues, personal care services where face coverings can be worn, as well as indoor religious services, rites or ceremony gatherings at 15 per cent capacity.
- Step 3: Expanding access to indoor settings, with restrictions, including where there are larger numbers of people and where face coverings can't always be worn. This includes indoor sports and recreational fitness; indoor dining, museums, art galleries and libraries, and casinos and bingo halls, with capacity limits.

Based on current trends in key health indicators, including the provincial vaccination rate, the government expects to enter Step One of the roadmap the week of June 14, 2021. The province will remain in each step for at least 21 days to evaluate any impacts on key public health and health system indicators. If at the end of the 21 days, the vaccination thresholds have been met and public health and health system indicators remain positive, the province will move to the next step.
