## City of Toronto: Retail Accelerator Program

**Dear Bloor-Yorkville BIA Members,**

Applications are now open for the **City of Toronto's Retail Accelerator Program**. This is part of the [Toronto Main Street Recovery and Rebuild Initiative](#), which provides access to retail training, advisory services and mentoring opportunities, as well as a **micro grant of \$10,000** intended to help retail businesses develop and expand.

**The first round of applications will be accepted until March 31, 2022, or when funds are expended, whichever comes first.** If eligible, we suggest that you apply sooner rather than later. Please visit the [Retail Accelerator Program](#) homepage for more information regarding eligibility requirements, program overview, and directions on how to apply.
